

Lesson 3: Please (This Please)

Bitte

LESSON NOTES

In English, please is arguably the most important word you can know and even more so in Germany. A little "bitte" can go a long way. It is one of the more useful words in the German language. It means, please, here you are, and you're welcome.

VOCABULARY

German	Romanized	English
bitte	bitte	please
dieses	dieses	this
das	das	that

QUICK TIP

To avoid misunderstandings you should always use "bitte" whenever you ask for something, otherwise you might sound like you are just giving orders.

QUICK TIP 2

"Bitte" is a word that expresses politeness, friendliness, and attention, And should be used for every request of help, support and service.
